

# *Fresh Start Program*

## Premise

Many people who find themselves with financial challenges just need to get some breathing room and some time to get back on their feet.

## Observations

We often see that people have certain similar needs which include:

- a. get the crushing financial burden off their shoulders
- b. get some cash now to handle immediate needs
- c. put the emotional pain behind them so they and their families can move forward
- d. lower their monthly cash outflow and monthly payments
- e. get into a lesser expensive living situation
- f. put themselves in a position so they can eventually rebuild their credit

## Solution

Since we recognize these similarities in circumstances, we have developed a 5 Step **FRESH START PROGRAM.**

People often just need to reestablish a base from which they can move forward. However, since every homeowner situation is slightly different, we custom fit our **Fresh Start Program according to your particular needs.** Here are certain common features we offer

1. Cash Now
2. Cash Later
3. Pay Off Past Due House Payments
4. Assist in locating a less expensive place to live
  - a) help with storage expenses – as necessary
  - b) help with moving expenses – as necessary
5. Begin to build back your credit by making house payments on time
6. *Depending on circumstances, put you in an aggressive credit restoration program*
